Exclusions common to all the sections

This policy does not cover any services in respect of which the Insured does not notify the Operations Centre beforehand.

The cover also excludes any compensation, service, consequence and/or event directly or indirectly descending from:

- a) armed conflicts, invasion, actions by foreign enemy forces, hostilities, war, civil war, rebellions, revolutions, insurrections, martial law, military or other coups or attempted coups.
- b) acts of terrorism in general, including the use of any type of nuclear or chemical weapon. This exclusion does not apply for travel assistance and medical expenses;
- c) ionising radiations or radioactive contamination developed by nuclear fuels, or caused by nuclear transmutation or the radioactive, toxic, explosive properties, or other hazardous characteristics of nuclear equipment and the components thereof;
- d) tornadoes, hurricanes, earthquakes, volcanic eruptions, floods, nuclear explosions and other natural disasters;
- e) air, water, soil, subsoil pollution and other environmental damage;
- f) expenses for searching for the Insured at sea or in lakes, in the mountains and in deserts;
- g) fraud or negligence by the Insured;
- h) suicide or attempted suicide.

No (re)insurer shall be deemed to provide cover and no (re)insurer shall be liable to pay any claim or provide any benefit hereunder to the extent that the provision of such cover, payment of such claim or provision of such benefit would expose that (re)insurer to any sanction, prohibition or restriction under United Nations resolutions or the trade or economic sanctions, laws or regulations of the European Union, United Kingdom or United States of America.

Limitations common to all sections

In the event of multiple claims covered by the policy and caused by the same event that involved more than one policyholder at the same time, the aggregate policy ceiling for all claims cannot exceed € 20,000,000.00.

In the event that the total amount of claims exceeds € 20,000,000.00, the sums to be paid to the Insured will be reduced on a proportional basis, if possible.
